Percent satisfied with school-home relations	30.8%	71.5%	77.7%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Tanglewood Middle School is a Making Middle Grades Work (MMGW) school that follows a comprehensive improvement framework comprised of ten key practices designed to prepare students for college preparatory classes in high school. MMGW has been instrumental in developing a climate for growth in student achievement. This was our inaugural year for Algebra 1 at the seventh grade level. Next year will be the first time in the history of our school that Geometry will be offered as a full class in the eighth grade. Forty percent of our grade eight students were enrolled in at least one class to receive high school credit in 2012-2013.

In the fall of 2012 we began the journey of creating a caring, nurturing environment with the implementation of Flip Flippen's proven model, Capturing Kids Hearts. As we work diligently to improve achievement, we are focusing on building positive relationships and a climate of trust. We want all of our students to reach their maximum potential while preparing for high school and higher education. We focus on Centurion PRIDE and teach not only the fundamentals of curriculum but also the components of character that ultimately develop good citizens.

Tanglewood is equipped with the best technology available today. We have the latest Promethean Boards in every classroom coupled with ActivExpressions and Activslates. Our students have access to state of the art Dell laptops in every classroom, making our school one of few that offers a 1 to 1 ratio of computers to students. Our classrooms are truly 21st Century environments.

We have a performing arts department that competes on many levels. One of our students took first place in the Middle School Division of Greenville County's Best Singer in the District competition this year. Our band has received numerous awards and recently received a grant from the Mr. Holland's Opus Foundation for new instruments. Our Gateway to Technology program will have a Robotics team competing for the first time in the 2013-2014 school year.

At Tanglewood Middle School...

Our mission is to collaboratively foster learning with an engaging and challenging environment that will prepare our students for high school and beyond.

Our school is committed to the students, families, and communities we serve. It takes the combined efforts of these stakeholders to make Tanglewood Middle a great school. Together we will achieve performance excellence.

William C. Price, Principal
Dr. Frederick Menzer, SIC Chair
